2024 TOURNAMENT RULES

1. All State and Federal laws apply.
2. All boats must have a mechanically aerated live well.
3. All anglers are required to wear proper life jackets and remain seated while the boat's gasoline engine is in gear.
4. Mind altering substances are not permitted aboard vessels during event hours.
5. All anglers must have a valid fishing license for the water fished, i.e. New York, if fishing Canadian waters a Ontario license is required.
6. Protest must be brought to the attention of the tournament director, BEFORE the presentation of pay outs. The tournament director's decision is FINAL.
7. Only artificial lures may be used. NO live or prepared bait allowed.
8. Only one fishing rod per angler allowed at one time.
9. Live wells will be checked prior to launch.
10. All boats must launch from the Massena Intake Dam, and cannot trailer to alternate waters. Fishing is only permitted on St. Lawrence River.
11. No Fishing allowed in the Intake Basin.
12. First hourly weigh in will begin at 9 AM each day.
13. Each boat can weigh-in one fish per hour.
14. All fish MUST be alive, and will be released after weigh-in.
15. The Lunker will be determined by each boat's two heaviest fish (heaviest fish from day one added to heaviest fish from day two, equals total weight for the \$5000.00 dollar Lunker prize).
16. At least one fish must be weighed each day to be eligible for the Lunker Prize.
17. In case of a tie, the registration number will determine the winner.
18. Launch order will be determined by registration number for BOTH days.
19. We reserve the right to refuse entry to any applicant.
20. Infringement of these rules shall be considered cause for disqualification.
